

March 3, 2011

Dear Friends and Family,

I write this letter with a very heavy heart. I am not sure how I have ended up here but I know the Lord has a plan- I'm just not sure what it is. I was just notified that I have a month or less of support left in my account. With that said I want to share with you my current need. The money that had built up over the years is gone. While there is money coming in each month it is significantly less than what I need each month. In the year 2010, I saw about 18.5% full-time (37% part-time) of my financial need provided. Some of that provision was in committed monthly support and some was in special gifts that I am so grateful for. My projected full-time support is approximately \$25,000 a year. I have less than \$500 a month coming in. Right now we are in the busiest time of year and I don't feel that I can just walk away from my work at God's Helping Hands. I am actively seeking part-time work. am hopeful but unsure as to what will happen. I know the Lord will provide for me in ways I can't imagine.

Would you please take some time to prayerfully consider supporting me? Some of you that get this letter already support me and I'm so grateful for your sacrifice. Those of you who can't support me financially I would greatly appreciate your prayers. This is a new experience for me and the path is untried. I really believe that right now I am answering the Lord's calling by ministering to children through GHH. While my future is unknown, I want to finish this 2011 Summer Ministry well. Acts 20:24 "But I do not consider my life of any account as dear to myself, in order that I may **finish** my course, and the ministry which I received from the Lord Jesus, to testify solemnly of the gospel of the grace of God."

There are so many unknowns out there right now. With the way my support level is, I will not be able to re-sign my apartment lease. The lease is up at the end of August. If the Lord continues to keep me at GHH I will need to find alternate housing- a place that I could just pay utilities. I have never tried to plan too far into the future, as the Lord has never allowed me to see far. So please pray that I can stay focused and in HIS will. I do not want to find myself taking things into my own hands and wandering outside of His protective circle.

Thank you so much for taking the time to consider supporting me! I covet your prayers at this very serious time in my ministry.
