FALL NEWSLETTER

October 2025

Praise the Lord for wonderful ministry this past summer!

Many of you told me that you were praying for a summer free from difficult circumstances, sickness and vehicle issues, and God answered your prayers! In recent years, it had seemed that our team was continually battling discouragement from the enemy, but this summer the Lord blessed us with situations that brought joy, encouragement, rest and even opportunities to encourage others who were going through difficult circumstances. All believers go through seasons of needing help to persevere and being the ones who come along side others to help them press on. It's a beautiful thing to watch the body of Christ work together, through the power of the Holy Spirit, as we all serve and

worship our King together! "For this very reason, make every effort to supplement your faith with virtue, and virtue with knowledge, and knowledge with self-control, and self-control with steadfastness, and steadfastness with godliness, and godliness with brotherly affection, and brotherly affection with love. For if these qualities are yours and increasing, they keep you from being ineffective or unfruitful in the knowledge of our Lord Jesus Christ." These verses in 2 Peter 1 are the theme of our current series, Mt. Everlast. We taught about these qualities to boys and girls and their families for 13 weeks, but the Lord was reminding our own hearts of these very things too.

Praises:

The ability to fix a couple flat tires on the camper while we were safely parked, and before we made the long trip to Iowa.

Spiritually hungry children seeking salvation! While we were in Kentucky at Camp Nathanael, we were told of 17 decisions made in a single week!

Good health for the team this summer.

We traveled throughout Michigan to both camps and churches that we were familiar with and also made our way to Kentucky and Iowa, making some new connections with people. The kids we saw this summer were enthusiastic and eager to hear the truth of Jesus we shared! My nieces were even able to go to camp while I was there, and got to enjoy the puppets! It was special to have them there with me. Our team heard many stories from staff and leaders of children turning their lives to Jesus for salvation from their sin! We pray that they will grow in the knowledge of God through His word, the Bible, and let the light of Jesus shine in their lives!

Our fall schedule is already underway! Please pray for our team as we continue to minister to many people and places over the next several months! Please pray with us that God would bring some new missionaries to join God's Helping Hands! We know that we can't do it all and need help, especially as the Reach More project continues to move forward. If you, or someone you know, is interested in serving the Lord in full time ministry and has skill or interest in any of the following areas: puppetry, filming, editing, or social media/website maintenance, please contact us.

In September, I was able to celebrate my 40th birthday with family and friends!

Bielawski Family Vacation: Minocqua, WI
Laughs, games, outdoors, fishing and lots of dessert!

Chris, Amber, Juli and I took a little day trip and visited Belle Isle, in Detroit, for the first time. We walked around the conservatory (anywhere with plants is my happy place) and the very first aquarium in the country established in the early 1900's. It was a fun little adventure.
