Christmas 2022

The previous three summers were very trying. We had illnesses, vehicle problems, and just felt that Satan was trying his hardest to get us down. We prayed that we would have relief from that this summer and God answered those prayers. We enjoyed the two new churches we were at and look forward to working with them again. We had two weeks in the Grand Rapids area this year. So many of our weeks are spent 45+ minutes away from the bigger towns so it was nice to only have to drive 10 minutes for groceries. Nicole and I took advantage of that and picked blueberries at home a couple of times.

My fall schedule was jammed pack with work and travel. October was a whirlwind of activity. The first two weekends we traveled for fall festivals in Cadillac and Chicago, the third week we went to Kaleva Wednesday-Sunday. The next week on Wednesday we had an evening at Ottawa Center Chapel near Coopersville. We wrapped the month up at Dorr Bible Church on the 31st for a community event. Even though a couple of the trips took longer than expected due to traffic, I am so thankful for safety as we travelled and had good fellowship with those we were ministering to. When we hit November, I felt a bit dazed. The month of November is being used to regroup ourselves mentally and physically as well as prep for the Christmas season. We have three Christmas programs scheduled within 10 days of each other. We will be traveling to Grandville, Manton and Bancroft. This Christmas we are doing a favorite of mine, *In Time for Christmas*. We travel back in time to discover the reason for Christmas—Jesus!

While it is hard to believe 2023 is almost here, I am looking forward to what God has in store for me and the ministry. Due to a few donors not being able to continue their support, I have dropped to 68% which means I need \$1,000 more a month in order to be fully supported. Please join me in praying for additional supporters.

✿ PRAISES FOR...

reaching many children and families this summer. Next summer is on our mind and some prep has already started.

2

✿ PRAY...

for us as we have a big trip in February out to West Virginia for two Mission Conferences.

✿ CHECK OUT...

the winter/spring schedule on our website: ghhinc.org. If we are near you, please come out and say hi!

SIDE HUSTLE

I was able to pick up a small part-time job during the fall season at the farm. I picked raspberries, helped make donuts, opened the store, worked the counter and restocked product. I really enjoyed meeting the neighbors and helping out.

TRAVEL

The picture above is a good example of what you would see if you visited my house on wheels during the summer. I am so grateful for this home away from home!

THANK YOU

Your prayers and financial support are always greatly appreciated!
