

note FROM nicole

FROM CHILDHOOD YOU HAVE KNOWN THE HOLY SCRIPTURES, WHICH ARE ABLE TO MAKE YOU WISE FOR SALVATION THROUGH FAITH WHICH IS IN CHRIST JESUS.
2 TIMOTHY 3:15

Recently, I've been doing some digging into my family's history. It's been fascinating learning different things about past relatives in my family tree, but it's also been a great reminder of how blessed I am for having parents, grandparents and even some great-grandparents involved in my life, who loved and served Jesus, giving me a wonderful example to follow. Growing up, I was surrounded by the truth of the Bible, and at the age of five, I realized that I also needed Jesus to save me from my sin. Having learned and understood my need for salvation at an early age has always been one of the reasons I love children's ministry so much. Kids can understand deep spiritual truths and it's a pleasure to be able to present those truths through my work with GHH.

ANYTHING NEW?

Juli and I had an opportunity to be the chapel speakers for a group of 8 to 11-year-old girls at Camp Barakel's Father/Daughter Winter Retreat. We taught how God, His love and His word last forever.

One of my friends from a previous dance production, restarted her adult ballet class, so I joined again this semester!

A local ministry I support is having a ladies' luncheon fundraiser event and I'm excited to host and decorate tables for them! I love using the creativity God gave me.

Thank you for praying about my support. Since January, I have two new monthly donors, bringing my support level to about 70%. And when you factor in how the Lord has provided for my housing over the last several years, I really don't have any burdensome needs at this time. God and His people have been so generous!

JOYFULLY SERVING,

Nicole Bielawski

MINISTRY HIGHLIGHTS

Our team has had about 20 programs throughout the fall, winter and spring months; including both weekend-long and one-time special events (fall family festivals, Christmas services, missions conference, special-needs groups, AWANAs and a time release-class for the public school).

Chris and I helped Jeff build a new grounds-keeping shed.

Amber and I successfully remade puppets, Stephen & Lydia, before the busy Jan/Feb film season.

Twelve new video episodes for the curriculum, *Light*, are filmed and ready for editing.

I've started painting the stage for the upcoming summer series.
