

note FROM nicole

Our winter/spring program season has been filled with many ministry events, including: Christian schools, AWANA's, special needs groups and local outreach events. We were also asked to participate in a missions fair, in which we were both able to talk to people about the ministry of GHH and also show them what we do.

Thank you, friends, for your interest and generous donations! He is worthy!

Joyfully Serving,

Nicole Bielawski

Thank you for your prayers regarding my dad! I know he and my mom greatly appreciate them. Unfortunately, his kidneys did not heal enough to start functioning on their own, so he has switched to daily, at-home dialysis. Please continue to pray for him and this new routine which comes with a few challenges.

And I'm always happy when I get a little extra time for family visits!

Juli and I had an opportunity to be the chapel speakers for Camp Barakel's father/daughter retreat in February. We went through the book of Esther and shared with the girls how God is in control of our lives, He gives strength and courage and He is our deliverer. We also got to enjoy some of Northern Michigan's frozen beauty.

The Reach More building construction has really picked up speed! We are shocked at the fast progress over the last month, although we really shouldn't be surprised at God's timing and plan. Stay tuned for more information on the project in the upcoming ministry-wide newsletter, *The Glimpse*.

This coming summer's series is *Jesus is the King!* Starting this month, I will be spending most of my time at the office painting the stage to look like a castle! I've already looked up some new techniques that I'm excited to be incorporating this time around. Please pray for our whole team as we all have different tasks to complete for the summer preparations in the next few months.
