

Note from Nicole

Greetings from snowy Michigan!

January brought cold days and lots of snow, as I'm sure some of you also experienced! It's a beautiful reminder of the verse in Isaiah, "though your sins are like scarlet, they shall be as white as snow". Praise the Lord for His gift of salvation and forgiveness!

After a full fall and December of programs, it was nice to have a little slower pace in January and February. It allowed me some time to catch up on the ministry's website maintenance and social media presence. Please continue to pray that the Lord would bring someone along to take over that area for us.

Thank you for your prayers and financial gifts! It is a wonderful privilege to be able to serve Jesus alongside my friends! He is worthy!

Joyfully Serving,

THINGS TO PRAY ABOUT

MINISTRY VAN

The current van our team travels in is needing to be replaced. It has many miles and is no longer very reliable for the long distance trips we take. Due to the specific tow weight needed to pull our camper in the summer, it limits our vehicle search drastically! Please pray that God will direct us to the right van this spring before we begin traveling this summer. We need around \$40,000 and currently have about \$38,000, please pray that the rest of the money would be provided for this vehicle.

WEST VIRGINIA TOUR

In March, our team will be traveling to West Virginia again. We have three different churches we will be serving. We are excited for another opportunity to return and fellowship with people we know and also meet new people as we make contact with two new churches. Please pray for the programs, that the children and families present will respond in either salvation in Jesus or growth and encouragement through the truth of scripture. Please pray for good health and safety for our team as we travel.

SERIES PREP

The 2026/2027 season presents: *Psalm Springs!* This fun, western themed series walks through the life of David and Psalm 23. I have started painting the stage and have enjoyed working with Jeff to construct a working water pump and trough for our old west town! Props will soon get refreshed or remade, along with many other projects! Please pray for our whole ministry as we all use the talents God has given us to finalize details and make this series the best we can for our Lord and the children we serve!
