

"AND NOW WE THANK YOU, OUR GOD, AND PRAISE YOUR GLORIOUS NAME." 1 CHRONICLES 29:13

The LORD is my shepherd...

He's not just *a* shepherd or *the* shepherd, He is *my* shepherd! As our team taught through Psalm 23 this summer, that was one thing that Chris mentioned often to the kids. Do you belong to Jesus? Is He your shepherd? If we want to experience contentment, peace, courage, God's faithfulness, eternal security, we need to belong to Him. We had a great summer of ministry with 10 weeks of opportunities to present God's truth of salvation from sin. We traveled throughout Michigan and visited a camp in Missouri and a couple churches in Iowa. Praise Jesus, we heard stories of salvations and decisions made to live for Him! We also heard stories of children going through loss and hardships in life. We pray that they will remember the words of Psalm 23 (*Even though I walk through the valley of the shadow of death, I will fear no evil, for you are with me*) and turn to Jesus for help and strength.

While our team was gone during the summer, Jeff and some volunteers were busy working on the film studio. The finish line is so close on this building project! Now that I'm back in the office, I will be helping where I can with some final details, such as ordering items for projects, painting doors and installing vinyl flooring and carpet tiles. Please continue to pray as we wrap up all these final details and prepare for the final inspection.

This fall our team will continue to present *Psalm Springs* at a missions conference and other one time events, and will be prepping for our annual December round of Christmas programs. Thank you, friends, for your prayers and support!

Joyfully Serving,

Nicole Bielawski

MINISTRY VAN

In my last newsletter, I mentioned that our team was in need of a new ministry van specifically designed to pull the 10,000lb camper we use in our summer travels. Praise the Lord, He provided the money and led us to the right van! We were surprised to find one with low milage and even better towing capabilities than the old van. The Lord also provided money for a new equipment trailer.
We used them both this summer and it was a blessing to have a tour free of vehicle problems! Praise the Lord!

FAMILY UPDATE

Many of you have been praying for my dad since he was diagnosed in Sept. of 2023 with kidney failure and was put on dialysis. At the beginning of this year, he was medically cleared and appoved as a candidate for a kidney transplant. In June, Dad got a phone call that there was a donor and immediately was admitted for transplant surgery. Praise the Lord the surgery was a success and I was able to go see him before I left for the summer! He is off dialysis and doing well! Please continue to pray during this first year, as it is a typical monitoring time for any possible signs of rejection.

VOLUNTEERS

We are very grateful for volunteers who help us and serve the Lord with their time and talents. From stuffing envelopes for mailings to lawn care and building maintenance to website and graphic design, we have received help in all these areas and more!

Recently, my brother and his family came and volunteered (pictured left). My nieces helped stuff donation slips and my brother worked on our website and set up our new 3D printer and gave me a tutorial on how to use it. It will definitely be a new helpful tool for future props and set pieces.
